

PROPERTY MINISTRY

The Property Ministry (aka, the Property Committee) is a group of men and women who like to help keep the church property in good condition. Like the other Ministerial Teams, those of us who can, meet on the fourth Monday of the month at 7:30 p.m. in the church.

Occasionally, we also meet on a Saturday morning in the church library for discussions on work that's completed and that which needs to be done. We call those "Gophers" meetings, because they were set up for volunteers that took on little projects in their spare time, to ensure the smooth operation of the church.

At these Saturday meetings there's always some refreshments like coffee, It's a relaxed atmosphere which gives us a time to get to know each other

rolls, and fruit provided. better, and always sprinkled

with some good, light-hearted humor. Our group consists of people from various backgrounds, ages and skills, including highly-skilled, semi-skilled and those of us who are willing to help and learn at the same time. We have found that this cross-section of volunteers often provides good alternative solutions to getting the

jobs done. The Fellowship we've developed as we meet, plan, and complete projects is very inspiring. We have a good time as we plan and work, and know YOU TOO would enjoy the camaraderie we have found here.

The Property Committee extends an invitation to all members and friends of Community Lutheran Church to help us meet the increasing needs of the Church Property. As our church membership grows, we who are currently serving on the Property Committee, are finding more ways to improve and enhance this "House of God." But we wish you would join us. As Pastor Joe likes to say: "Many Hands Make Light Work." I personally have found that

to be true as our committee has expanded. The jobs that we undertake, range from rather extensive to fairly easy. For example, the new Parking Lot and Lights, to Cleaning marks off the white board and walls in one of the classrooms. Our list of projects is a Living

Document, marking "Completed" projects, and adding "New" projects, as they come to our attention .

Whether you can only spare a little time occasionally, or a little more time frequently, we invite you to join our team and experience the joy of "Maintaining God's House" with us. For openers, you may wish to just sit in on one of the Ministerial meetings at the Church. The Church Committees meet together for a short time in the Sanctuary, and then "break-out" to meeting rooms for a short time, returning to the Sanctuary for a "Wrap-Up." Or, if we've made such a good impression on you that you're ready to join now, just call me (Joe Imler) at 703-430-1829. No entrance fee required :>)
